Between The Covers Book Club

Oct. 1st / Meeting at 5pm / Ages 18+ / ***Preregistration required.**
Our pick this month is *The Pale Blue Eye* by Louis Baynard.

"At West Point Academy in 1830, the calm of an October evening is shattered by the discovery of a young cadet's body swinging from a rope. The next morning, an even greater horror comes to light. Someone has removed the dead man's heart.

Augustus Landor—who acquired some renown in his years as a New York City police detective—is called in to discreetly investigate. It's a baffling case Landor must pursue in secret, for the scandal could do irreparable damage to the fledgling institution. But he finds help from an unexpected ally—a moody, young cadet with a penchant for drink, two volumes of poetry to his name, and a murky past that changes from telling to telling.

The strange and haunted Southern poet, for whom Landor develops a fatherly affection, is named Edgar Allan Poe." -Amazon

Settle-In Book Club

Oct. 10th / Meeting at 4:30pm / Ages 18+ / ***Preregistration required.**

Join us for our new book club. Settle-in as we watch the movie that was adapted from the books that inspired them. We're not stopping there; you'll take a copy of the book home to read afterwards. You read that right! We're watching the movie first then we're reading the book. Our movie/book combo for this month will be *The Hound Of The Baskervilles*. Due to limited space & copies, preregistration is required.

"The Hound of the Baskervilles is one of Conan Doyle's most famous mysteries featuring the detective, Sherlock Holmes, and his friend, Dr. Watson. When Sir Charles Baskerville is found dead, the people living in the neighbouring area are sure that he didn't die from natural causes. Strange sightings of a giant fire-breathing hound and stories from the past have convinced them of this. However, a certain Dr. Mortimer thinks there is more to it than that. His theory suggests that this beast has been on the rampage for years, killing generations of male Baskervilles. With the victim's son returning home from Canada, and the mystery still unsolved, Dr. Mortimer turns to Sherlock Holmes for help. He is worried that the deaths will continue until all the Baskerville men are wiped out or someone discovers the truth. The unparalleled detective, Sherlock Holmes, his sidekick, Dr. Watson and an intriguing and mysterious plot make Sir Arthur Conan Doyle's 'The Hound of the Baskervilles' a compelling read." -Amazon
