### Between The Covers Book Club

Jan. 7th / Meeting at 5pm / Ages 18+ / \*Preregistration required.

Our pick this month is *The Housemaid* by Freida McFadden.

"Every day I clean the Winchesters' beautiful house top to bottom. I collect their daughter from school. And I cook a delicious meal for the whole family before heading up to eat alone in my tiny room on the top floor.

I try to ignore how Nina makes a mess just to watch me clean it up. How she tells strange lies about her own daughter. And how her husband Andrew seems more broken every day. But as I look into Andrew's handsome brown eyes, so full of pain, it's hard not to imagine what it would be like to live Nina's life. The walk-in closet, the fancy car, the perfect husband.

I only try on one of Nina's pristine white dresses once. Just to see what it's like. But she soon finds out... and by the time I realize my attic bedroom door only locks from the outside, it's far too late.

But I reassure myself: the Winchesters don't know who I really am.

They don't know what I'm capable of..." -Amazon

Jan. 9th / Meeting at 4:30pm / Ages 18+ / \*Preregistration Required.

Settle-In Book Club: the book club that does things in reverse. First we watch, then we read. Settle-In with us as we watch *Catch Me If You Can*, based on the true crime bestselling book by Frank W. Abagnale. Due to limited space and copies of the book, preregistration is required.

"Frank W. Abagnale, alias Frank Williams, Robert Conrad, Frank Adams, and Robert Monjo, was one of the most daring con men, forgers, imposters, and escape artists in history. In his brief but notorious criminal career, Abagnale donned a pilot's uniform and copiloted a Pan Am jet, masqueraded as the supervising resident of a hospital, practiced law without a license, passed himself off as a college sociology professor, and cashed over \$2.5 million in forged checks, all before he was twenty-one.

Known by the police of twenty-six foreign countries and all fifty states as "The Skywayman," Abagnale lived a sumptuous life on the lam—until the law caught up with him. Now recognized as the nation's leading authority on financial foul play, Abagnale is a charming rogue whose hilarious, stranger-than-fiction international escapades, and ingenious escapes—including one from an airplane—make *Catch Me If You Can* an irresistible tale of deceit." -Amazon
